

WEST LIBERTY TO BE IN BLUEGRASS LOOP THIS YEAR

Opening Game To Be May 8 Against Beattyville 9 Here

West Liberty's baseball club will play in the Bluegrass League again this year and the local club will open the season's play in West Liberty Sunday, May 8, against Beattyville.

Eastern division of the league is composed this year of five teams—West Liberty, Beattyville, Mt. Sterling, Owensville and Irvine.

The season will be concluded with a play-off series to determine the circuit championship.

The local team is now in the process of organizing and three practice sessions already have been held. Two practice sessions will be held this week—Saturday at 4 p.m. and Sunday at 1 p.m. Woodrow W. Barber is business manager again this year and Clarence Black and Paul Shipley are team managers.

With sixteen players returning, plus some newcomers, the local club this year should be more formidable than last year. Considerable spirit and enthusiasm has been exhibited at practice sessions and a successful year is anticipated.

Richie Stacy, Jerry Franklin, and Freddie Blair, three youngsters who played last year, show a decided improvement this year. Junior Dennis is back from the armed forces and will help out at catching. It would be ready to meet any nearby foe.

Players out at previous practice sessions include—Infield—Merle Nickell, Jerry Franklin, Richie Stacy, Freddie Blair, Buck Profit, Kenneth Hamilton, Clarence Williams. Outfield—Harold Hammond, Robert Blair, Robert May, Walter Brown, Charles Ray Clevenger, Paul Reed.

Catcher—Buster Pelfrey, Deward Dennis, Sr.

Pitcher—Freddie Conley, Richie Stacy.

The team is being outfitted with new uniforms contributed by the following business firms: May Grocery Co. and their two flour suppliers, Silver Mist Four and Polar Bear Flour; Nickell & Walter, Blair Wholesale Grocer; Co. Jim's Restaurant; West Liberty Hospital; Kentucky Road Oiling Co.; Stamper's Restaurant and Motel; Wells' Trucking Co.; McGuire Motor Co.; Commercial Bank; Gullett & Spencer Co.; Potter Funeral Home, all of West Liberty; and Corner Service Station of Salsberyville.

May's Barber Shop of Salsberyville bought two bats.

In Ol' Morgan

French Maggard of Lexington, representative of the Textbook Department of The Macmillan Company of New York, was a pleasant visitor in the Courier office recently. When he left he asked, "Have you read The Dollmaker?" "We hadn't, so within a few days came our copy of the much lauded book, written by a Kentucky woman, Harriette Arnow, native of Wayne county.

The gift is much appreciated, and the book is worthy of the praise heaped upon its author Mrs. Arnow, nee Simpson, received her education at Berea College and the University of Louisville. She taught school six years, was married in 1939. During the war she moved to Detroit, Michigan—locale of much of "The Dollmaker"—and now resides with her husband and two children in Ann Arbor.

The Dollmaker, Nevels, was a hill wife and mother until war came along, and she gave in to the move to Detroit. Where had been hills and land, and to Gertie Nevels, great beauty and strength, now in Detroit, were shams, dirt and ugliness. As a symbol of the beauty she left behind, she carves a doll from a piece of Kentucky wood which she took to Detroit with her. The book is a tragedy, yet even in defeat, the Dollmaker finds a measure of triumph.

The book has been praised by many reviewers including Brickell in the New York Times Book Review and Victor Hass in The Saturday Review.

Barietta Jo Elliott, daughter of Mr. and Mrs. Curtis Elliott of West Liberty, is the recipient of a \$1,200 fellowship to the Peabody and Vanderbilt College in Nashville for 1955-56. Miss Elliott is an English major at the University of Kentucky at present and will enroll in the Nashville college in September to begin work on her Master's degree. She is a graduate of Morgan County high school.

GOAL OF 100,000 TREES SET HERE

A goal of 100,000 trees was set for Morgan county for the 1955 tree-planting season at a meeting held in the courthouse Monday.

Those attending the meeting were Gene Reynolds and Lewis Sobanoy of the State Division of Forestry, Morehead; Virgil Lewis, county fire warden, West Liberty; Paul Williams, vocation teacher; Paul Shipley, veterans teacher; Carl Sinclair, county agent; Herlyn Brown and Bradley Thomas, Soil Conservation Service; and Earl W. Kinner, local publisher. The 1956 goals were broken down as follows: Shortleaf Pine, 30,000; Scotch Pine 25,000; White Pine, 25,000; Yellow Poplar, 10,000; Black Locust, 8,500; and Loblolly Pine, 1,000.

Ways and means of selling the trees and getting them planted were discussed. It was requested that all trees be delivered by March 1.

WEST LIBERTY TO KEEP SLOW TIME

West Liberty will stay on Central Standard Time this summer, it was decided by the city council at a special meeting Monday night.

No one appeared before the council to advocate Daylight Saving Time, but the council voted on the question anyway, the result being 4 to 1 in favor of standard time.

This summer, as a general rule, towns in Central and Northern Kentucky are advancing to Daylight Saving Time while towns in Eastern and Western Kentucky are remaining on Eastern and Central Standard Time respectively.

Nearby towns that have gone on "fast" time for the summer are Winchester, Lexington, Cynthiana, Paris, Richmond, Versailles, Louisville, Frankfort, Berea and Danville.

The city council also adopted an ordinance for the installation of three additional street lights all in the upper or eastern part of town.

Work was commenced by the street department last week of repairing "chug" holes in the paving on Glenn avenue, and the department will repair holes on Riverside drive soon. Ready-mix is being used to repair the holes. The council's regular monthly meeting will be held next Monday.

FARMERS UNION IS 100% FOR BURLEY PARITY PROGRAM

70 Farmers At First Meeting of Union Monday

With some 70 members attending, the Morgan County Farmers Union at its meeting here Monday night voted unanimous endorsement of continuing the present burley tobacco price support and acreage allotment program and members were urged to work for favorable voting at the burley referendum.

A discussion of the burley program and election of a board of directors occupied major attention at the Union's first monthly meeting. The union was organized here April 8 with 100 members, and seven more farmers joined the group at Monday's meeting. Albert Dorsey of Ezel is president. Meetings are held the fourth Monday of each month.

One board member was elected from each of the county's five magisterial districts, as follows—Dist. No. 1—Robert Potter of West Liberty; Dist. 2—Walter F. Daniel; Dist. 3—Marshall Gibson of Zag; Dist. 4—Glenn Lacy of Grassy Creek; and Dist. 5—Lloyd Conley of Buskirk.

Earl W. Kinner, publisher of the Courier, spoke for the continuance of the burley price support program, and was followed by County Agent Carl Sinclair, President Dorsey, Paul Shipley, vocation teacher here, and Dillard Murphy, county ASC chairman.

Farmers from all sections of the county attended. Following the discussion, they voted unanimously as favoring continuance of the burley program.

Urging Farm Union members to vote and work for continuance of the 90% parity price support program on burley, Mr. Kinner told the group that Morgan's economy is based primarily on burley income and that if the program is voted out the county's high standard of living and business generally would decline rapidly. Morgan's income from burley under the program has increased in 11 years from less than a million dollars in 1943 to \$2,617,000 last year, he noted. Meanwhile, the county has progressed amazingly with the building of many new homes and barns, the addition of new farm and home appliances, and many new cars and trucks, tractors, etc. He quoted W. L. Staten, executive secretary of the Burley Tobacco Growers Cooperative Association, as saying that "if approved, this big cut may set our house in order in one short year."

Meade of Johnson; Ogden Stewart of Floyd; Alex Taylor of Lee; Roy Nickell of Morgan; W. E. Gill of Carter; R. A. Decker of Rowan; and Mrs. Paul Begley of Breathitt.

CANCER DRIVE FOR \$200 IS UNDERWAY

Morgan county's 1955 quota in the annual Cancer Fund of the American Cancer Society is \$200. Mrs. C. K. Stacy, chairman of the county drive, announced this week. The drive is now under way locally.

Morgan contributed more than \$200 to the fund last year and has always exceeded its quota.

The Woman's Club is sponsoring the drive in West Liberty with Mrs. Henry L. Stacy as chairman.

In the rural communities the following women are soliciting contributions for the fund—Cannel City—Mrs. M. H. Ferguson and Mrs. Homer Fletcher; Stacy Fork—Mrs. Chester Stacy and Miss Margie Henry; Malone—Miss Jewel Hancy; Index—Mrs. Herbert Fannin; Grassy Creek—Mrs. Ova Amyx; Mize—Mrs. J. A. Oldfield; Ezel—Mrs. Martha Motley; Sellers—Mrs. John Cundiff; Woodsbend—Mrs. J. A. Robertson; Blaze—Mrs. Clay Collins; White Oak—Mrs. W. M. Preston.

Flea Beetles Attack Tobacco Plants Here

The cold damp weather has caused flea beetles to attack early tobacco plants, according to Carl W. Sinclair, county agent. For effective control, one pound of 10 percent DDT applied as a dust or one-fourth pound of 50 wettable powder in 25 gallons of water as a spray for a bed 9x100 feet.

One-half pound of 50 percent wettable powder in each barrel of bluestone-lime mixture has proven effective in controlling flea beetles and cut worms.

KENTUCKY VOTES 97% FOR BURLEY PRICE PROGRAM

Morgan Growers For Continuance of Program 96.4%

Growers in the eight-state burley belt voted approximately 95% in a referendum Thursday in favor of reduced acreage allotments with continued price supports at 90% of parity.

A majority of 66% was needed to continue the burley program. The vote thus means that the burley acreage and allotment program will be continued for the 1955 crop with government guaranteed price support at 90% of parity. The price support for this year's crop had been announced at \$46.20 a hundred, just 20c under last year's.

Kentucky voted nearly 97% in favor of continuing the program. The vote was 220,207 in favor of the program, and 7,363 against. Morgan county voted 96.4% in favor of continuing the program. The vote in Morgan was 3,751 in favor of the program, and 172 against.

The vote in Morgan by communities—

	YES	NO
West Liberty	526	10
Lenox	338	12
Dingus	73	0
Ezel	631	60
Grassy Creek	422	40
Cannel City	536	27
Blair Mills	558	23
	3751	172

Voting in nearby counties gave these results—

	YES	NO
Morgan	3751	172
Wolfe	1649	139
Elliott	2312	53
Lawrence	665	23
Magoffin	1170	105
Montgomery	3658	11
Menifee	1335	42
Breathitt	1894	15
Carter	2395	154
Rowan	1450	30

Vote by states—
Kentucky 220,207 7,363
Tennessee 48,232 3,794
West Virginia 2,070 86
Missouri 1,271 37
Indiana 7,230 419
Ohio (2 co) 3,520 292

Due to an unforeseen excessive surplus of burley from previous years, a second cut in acreage was needed above the 10% ordered last Nov. 1, and a referendum was called on the question. Acreage allotments were ordered cut 25% below 1955 on all bases above 0.7-acres. Bases of 0.7 and 0.6 were ordered cut 0.1, but no bases under 0.5 were to be cut.

The amendment to the burley law and its ratification by growers in Thursday's referendum means that growers whose allotments were 0.5 or less will not be cut. Those whose allotments were more than 0.5 but less than 0.8 will be cut 0.1. Those whose allotments were 0.8 or more will be cut 25% under 1954. The government price support program, which went into effect in 1941, will be continued at 90% of parity, which currently is \$46.20 a hundred. Penalty on red card tobacco will be 75% of the 1954 average price, and excess production sold on red card may not be used in securing additional allotments.

Leaf Varieties Tested In Fleming in Reports

As a guide to the kinds of burley tobacco to grow, Fleming county farmers early this season were given reports on county-wide tests made last year. Ky. 33 made an average of 2,083 lbs. an acre, worth \$1.079; Ky. 41A, 2,024 lbs., worth \$1.023; Ky. 16, 1,979 lbs., worth \$982, and Ky. 26, 1,776 lbs., worth \$945. The report was made by James I. Stephens, county agent.

PITTMAN-MOORE VACCINE WAS USED IN MORGAN

None of the Cutter vaccine was used in the clinics held in Morgan county. Dr. Ralph Gullett, local physician in charge of the anti-polio vaccination, said Thursday. Clinics in Morgan and in all of Kentucky were supplied with vaccine manufactured by Pittman-Moore of Indianapolis.

The Cutter vaccine, which went to five western states and Hawaii, was banned by the U. S. Public Health Service pending investigation of eight cases of polio developing among children in California who had received the vaccine.

Morgan county's "make-up" clinic and second clinics to administer the second shot of Salk Vaccine will be carried out in Morgan as scheduled, said Dr. Gullett.

ANNOUNCING OUR NEW LOW-COST FUNERAL FINANCING TO THE PUBLIC

You no longer need to borrow money for cash funeral expense. We are now in position to finance your funerals. No matter how expensive or how low the funeral cost, it will suit your needs.

If you are a farmer, we can give to you a single payment Farmer's Plan, payable in 3, 6, 9 or 12 months when your tobacco crop is sold.

If you have a monthly income, we can offer you a 12, 15 or 18 months plan to pay monthly. Or we can give you a single payment plan to be paid when an estate has to be sold for funeral bills of old age pensioners.

Many are now using this plan and find it to be helpful and non-burdensome. In case of death of persons liable for the funeral expense, the balance is automatically paid up and leaves no burdens on those of the family that remain.

For further details on financing funerals, see—

East Kentucky Brown Swiss Canton To Be Held Friday at Cottle

Brown Swiss Eastern Kentucky Canton judging meeting will be held on Dyer's Dairy farm at Cottle Friday, April 29, at 10 a.m.

Each year the Kentucky Brown Swiss Dairy Cattle Association holds Canton meetings over the state. At these meetings Brown Swiss cattle are shown and ribbons are awarded.

Chess Dyer and sons at Cottle have one of the outstanding Brown Swiss herds in Kentucky. They have been breeding registered Brown Swiss cattle for a long time.

Chess Dyer was recently elected vice president of the Eastern Kentucky Brown Swiss Canton.

According to farm agent Carl W. Sinclair, Brown Swiss cattle from Morgan, Magoffin, Johnson, Pike and Lawrence counties will be shown by breeders from these counties. The meeting will begin at 10 a.m. and at 10:30 a.m. a judging contest will be held for 4-H and FFA members and adults. Prizes will be awarded following the contest.

The public is invited to attend and all members of the Morgan County Livestock Improvement association are urged to be present.

A picnic lunch will be enjoyed with each family bringing their lunch. At 1 p.m. Morgan county 4-H club members will entertain the group.

Morgan county Brown Swiss breeders are invited to enter animals in the show.

\$6,200 THEFT LAID TO WOLFE PASTOR

CAMPBELL, Ky., April 26—Commonwealth Atty. J. Daniel Graham reported today that officers are on the lookout for Rev. Elwood Tolson, 31, recent pastor of the Baptist church at Trent, on a charge he stole the life savings of Jasper Creech, 60, merchant and postmaster at Trent. The preacher journeyed at the Creech home.

Creech reported that \$6,200 in money was stolen from between the mattress and springs of his bed on April 18. The money represented Creech's life savings as a merchant, farmer and worker in Ohio. He said the preacher had left his home when he awakened the next morning and found the money missing.

The commonwealth's attorney said he learned that Tolson went to Jackson, Miss. \$3,000 in cash for a new automobile, bought a pistol and said he was going to Dayton, Ohio. But the attorney said, Tolson was last seen driving from Jackson toward Hazlett.

The attorney said Tolson was reared in Wolfe county but had lived in Ohio until his return to Trent several months ago when he took over the pastorate of the church, which is located only a short distance from the post office, of which Creech is postmaster.

The commonwealth's attorney said the grand jury returned an indictment charging Tolson with grand larceny.

Mrs. Lynn is the former Miss Claudine Reed, daughter of Mrs. Crystal Howard of West Liberty and the late Bernard Reed. At the time of her marriage Mrs. Lynn was a sergeant in the Women's Army Corps at Fort Jay, New York. Mr. Lynn served in the Army and is now employed as a pharmacist.

DEDICATION SET FOR SWIM POOL

West Liberty's public swimming pool will be formally dedicated and opened for the season on May 30. It was agreed at a meeting of the board of directors of the Kiwanis Club held Monday evening at the home of Atty. J. Blaine Nickell.

The pool was built last year as a community enterprise sponsored by the club.

A dedicatory program is being worked up now for the May 30th opening. The pool will be dedicated to the memory of veterans of all wars.

Concrete walks will be built prior to the opening to replace board walks on two sides of the pool. Meanwhile, the May 4th meeting of the Kiwanis Club community working will be in the form of a "community working" starting at 2 p.m. to put the pool and grounds in shape for opening. Dr. Spencer will be in charge of the "working" and wives of Kiwanis members will prepare a picnic dinner at the playground in the evening.

The board named Paul Shipley as sergeant-at-arms and Dr. Spencer as a member of the board to succeed Lloyd Patterson who resigned because of post-graduate work at Morehead College.

Dr. Ralph Gullett reported contributions to the Rae Pieratt fund now totaled \$175.35 and that contributions were still being received, several of them from other states.

Program chairman for May meetings were named as follows: May 4—Dr. Spencer; May 11—Woodrow W. Barber; May 18—"Sonny" Rose; May 25—Past Presidents.

Mrs. Nickell, assisted by Mrs. Alec Spencer, served a bountiful dinner to the following Kiwanis officers: H. D. Potter, Walter Frank, James Elam, Wendell Nickell, Dr. Ralph Gullett, J. Blaine Nickell, Sonny Rose, Andy Walter, Woodrow W. Barber and Dr. Spencer.

DR. & MRS. DORAN BANQUET GUESTS

Dr. Adron Doran, president of Morehead State College, and Mrs. Doran, one of Kentucky's best-known women, will be the guests of the Morgan County Woman's Club at the club's annual spring banquet at the West Liberty Methodist church next Tuesday evening.

Dr. Doran is well-known in church, educational and State circles and is a forceful speaker. He is a minister, and has served as State Representative at Frankfort. The club feels that Dr. Doran's appearance on the banquet program here May 3 will provide an opportunity for local residents to get better acquainted with him and his work at Morehead College.

The attractive Mrs. Doran is an accomplished musician. Following her husband's address, she will present an organ concert. Her selections will include all-time favorites, song hits from Broadway musicals and light classics. Aside from her ability as an organist, she is often called upon to model. As a result of her good taste in wearing apparel, she is considered one of Kentucky's best dressed women. She serves as organist for the State high school basketball tournaments in Lexington, as well as presenting other musical programs.

Master of Ceremonies will be Atty. Ralph Walter of West Liberty.

The price per plate for the banquet is \$1.50, and the public is cordially invited. Tickets may be bought from Mrs. Mae Wells, Mrs. Woodrow Stamper, Mrs. Andy Walter, Mrs. Elmer Anderson and Mrs. Crystal Howard.

The Margaret Stacy Guild of the Methodist church will serve the banquet, announces Woman's Club President, Mrs. Crystal Howard.

IN GOOD REPAIR. Has plenty of closets and 2 nice porches, electricity and water in house. The house has a good stone foundation, nice stone walks around house, plenty of shade trees in yard. Mr. Collins has recently done a lot of repair work on this house and this is a home that should suit anybody. This farm of 75 acres has about 35 acres of good crop land that has had plenty of fertilizer and phosphate used on it. There are about 12 acres of wheat, one-half acre of strawberries and a nice big garden that has been planted. There are about 40 acres of small timber and pasture land. Has cistern at house and barn that furnishes plenty of water and has large pond in pasture. Has a large stone quarry, 13 layers of stone, with a good rocky drive leading from highway to house and quarry. This farm has a large highway frontage of about one-fourth mile. HAS 8/10 OF AN ACRE TO-BACCO BASE. 100 FOOT BED PLANTED.

OUTBUILDINGS—Stone cellar 12x14, new meat house 12x14, chicken and brooder house 12x30. Has a new 5-bent combination stock and tobacco barn. These are all good buildings and in good repair.

FREE Cash Prizes Given During Sale FREE

People Can Do Anything!

THE STORY OF HAZARD AND PERRY COUNTY

. . . Where people have united to make life better for everybody

Hazard and Perry County, Kentucky, is a nicer place to live today than it was just a few years ago. It's a little closer to being the trading and wholesale distribution center for surrounding communities. More tourists seem to be coming into the area. It's more attractive to industry. Things seem to be better all around.

Actually, this isn't the story of Hazard and Perry County. It's the story of the people there. Business and professional men, civic and service club members, city and county officials, newspaper and radio people, ministers and everyday folks on the street.

This is their story because it is they who have made things better.

There's a new memorial gymnasium that holds 3,000 people. It was built by voluntary contributions from

local citizens. Plans are progressing for off street parking facilities near the center of Hazard. Merchants have organized to modernize their store fronts. Street lighting, too, is being brought up to date. A beautiful 34-unit motel was opened last year. The Lott's Creek Fresh Vegetable Growers Association was formed and now produces extra income for its members.

These people are working hard to attract new industries. They are working hard because now they have more to offer.

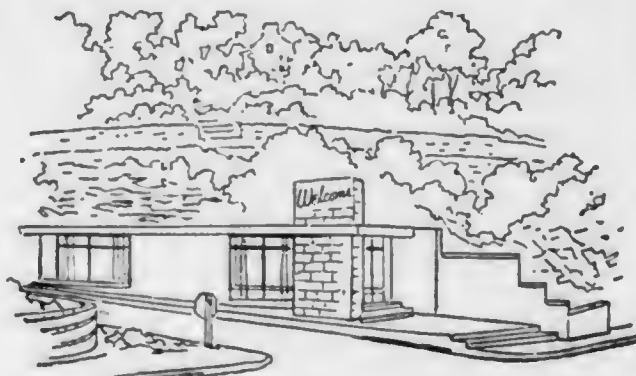

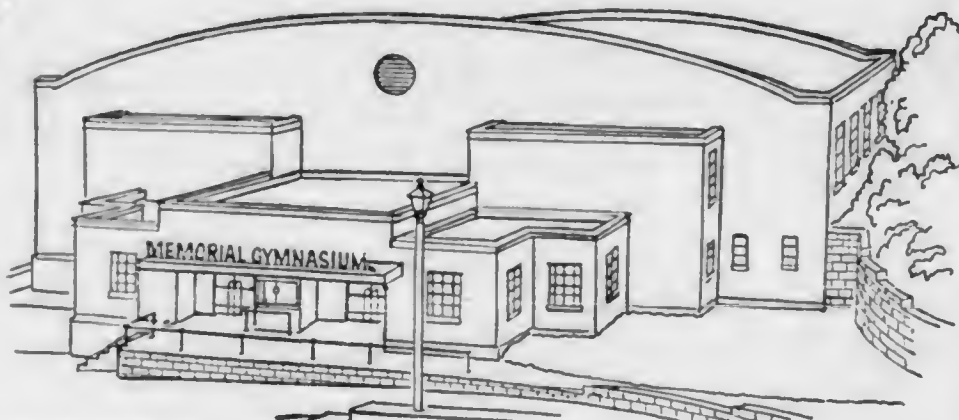

Largely responsible for this new spirit is a group called the Perry County Development Association. Its members are simply people with ideas—the main idea being that People Can Do Anything—if they really want it.

Ideas like these—once put to work—are helping this area. If you have such an idea, give it a chance to do some good. Tell it to the editor of this newspaper . . . or write to us, the Kentucky Power Company.

Eastern Kentucky will improve only as its people improve it—
and... **People Can Do Anything!**

This is the fourth in a series of advertisements by the Kentucky Power Company in the interest of the area it serves.

OBITUARY

Lexie Rae Pieratt was born Oct. 8, 1937, and departed to be with the Lord April 8, 1955, after an illness of several months at the age of 17 years and six months.

She leaves to mourn her loss her devoted parents, Roney and Opal Pieratt; a half-sister, Nelda Hivick of Middletown, Ohio, her grandparents, Mr. and Mrs. Wade Quicksall of Yocum and Mrs. Jennie Pieratt of Middletown, O.; several aunts, Edith Terrill and Iva Fordyce of Middletown, O.; Mildred McDaniel, Bessie O'Connor and Ina Nicewonger of Dayton, O.; Anna Mannin of Charleston, Ill.; Evella Palmer of Mt. Sterling, Ky.; four uncles, Arlie Fraley of Middletown, O., and Carl Fraley of Dayton, O., Ernest and Franklin Quicksall of Yocum, besides a number of cousins and a host of friends.

Rae was a member of the senior class of the West Liberty high school and was looking forward to graduating with her class. But the Lord in His infinite wisdom saw fit to take her, and His "Well done" far exceeds the diploma that she would have received here.

During the last months of her illness she accepted the Lord Jesus Christ as her own personal Savior, and after her conversion was deeply concerned that her friends and school chums would also come to know Him and she so testified to them many times. She departed this life with His dear name on her lips.

We who knew her and loved her cannot help but grieve for her, but God knows best and we just thank Him that He let her stay with us for just a little while before He called her to be with Him.

In the words of David of old, "We cannot bring her back to us, but we can go to her." Let us comfort ourselves with that.

HAMMOND

Sherman E. Hammond, son of Benjamin and Sarah Brown Hammond, was born Dec. 16, 1880 in Magoffin county, and died April 14, 1955, aged 74 years, 3 months and 28 days.

Sherman Hammond left Logville, Ky., went to Wakefield, Ohio in 1913. He was well known and liked by all his neighbors and friends. Through a long illness of three years, he did not lose faith, and left a bright testimony.

Dec. 24, 1909, he married Mary Lowe, daughter of the late Mr. and Mrs. Henry Lowe. She had walked faithfully by his side and been his comforter during the 46 years of their life together.

They were the parents of five children, one of whom died in infancy. Those left to mourn are two sons, Everett of Wakefield, and Layton of Pikeville; two daughters, Mrs. Flossie Meade

and Mrs. Pearl Hardwick of Seviour, Ind. Also surviving are three grandchildren, Gary Meade and Mary Ellen and Stevie Hardwick; brother, Orville Hammond of Eciotville, O.; and sisters, Laura Lowe of Portsmouth, O., Mrs. Flora Cremons of Stowdale, O., Mrs. Verna Moore of Louisa, Ky., Mrs. Anna Spencer of Bethel, Ohio. His parents, three brothers and one sister preceded him in death.

COTTE

Mary Ann Gordon Cottle was born at Gordon Ford, Morgan county, April 14, 1890, and departed this life April 12, 1955.

She accepted Christ and united with the First Christian Church at West Liberty at the age of 16 and lived a devoted Christian. She was married to John L. Cottle who departed this life on Aug. 6, 1928. To them were born eleven children: Elizabeth, R. E. and Gordon, who preceded her in death; Mrs. Florence Cantrell of Gordon Ford, Charlie of West Liberty, James Lester of Chillicothe, Ohio, Sallie and Henry at home, Chester of Cottle, Deway of Fairborn, O. and Mrs. Ella Vance of Paintsville.

MAY

Earl May, Sr. was born Feb. 19, 1893, at White Oak, Ky., and died April 11, 1955 in Tucson, Arizona. He was the son of the late T. C. May and Ida Allen May of White Oak. He was married to Hazel Wells of Wells, Morgan county, Oct. 16, 1920, and to this marriage were born seven children, who survive: Mary Evelyn, Robert May, Hobart May, Mrs. Anna Ruth Roach, Ova May, Phillip May and Earl May, Jr., all of West Liberty. Also surviving, in addition to his wife and one sister, Mrs. Cliffield Oldfield, of Mize, are four grandchildren: Cassandra May, David Earl May, John Allen May and Virgil Keith May.

The deceased was of Scotch descent. His paternal grandfather, along with two brothers, came to New York in the latter part of the 18th century, and traveled west to Pittsburgh, then came down the Ohio river on a raft to the present city of Maysville, which was named after one of the brothers. One brother was killed by the Indians, the other two returned to their homeland of Scotland. Later they returned to the same location of present day Maysville, where one was drowned leaving no survivors. The last brother traveled back up the Ohio and Big Sandy rivers to the area presently known as Maytown in Floyd county, and married and reared a family. His descendants came to Magoffin and Morgan counties.

An early ancestor, John May, obtained a land grant in Morgan county from the government. This tract extended from the mouth of White Oak creek to the forks of White Oak creek, including land on both sides. It consisted of about 1,000 acres. John May was the father of Thomas Allen May, father of Thomas C. May who was the father of the deceased.

Mr. May was a member of the White Oak Christian church, being baptized May 16, 1914, by Bro. Leander Lacy.

The deceased served his country during the first World War, receiving an honorable discharge on June 21, 1919. After his marriage he was engaged in farming. In 1936 he joined the May Grocery Company, founded in 1933 by his father, T. C. May, an aunt, Miss Lula Allen, and a brother, W. B. May. He became president in 1940 and took an active part in the business until 1953. In recent years he spent the winters in Florida and Arizona because of his health.

In January 1944 he was elected to the West Liberty City Council, serving two years, and was again elected to the City Council in January 1952, retiring after two

years of service. He was a splendid citizen, highly respected and loved by all who knew him.

In his home, where he always wanted his family, he was a loving father, dedicated to their well being. He was ever ready to right the most trivial wrongs in dealings with others. He was broad, generous, patient and understanding.

FARMERS UNION

(Continued from page 1)
up. He told the group, allotments will have to be increased to meet demand—and then those who were cut will be the first to get additional allotments.

Mr. Murphy explained who is eligible to vote in burley referendum and announced the seven voting places set up for the county. He also stated the amended law eliminates all loopholes in the program and declared, "With these loopholes plugged and growers abide by the program, all growers will be helped and in two years, possibly only one year, allotments will be increased again. The provision eliminating red card tobacco acres as a basis for obtaining new allotments will be the life-saver of our program," he said. "It's a good program; let's keep it," he added.

Mr. Dorsey said, "I don't know of a section of America that has progressed so much in agriculture as Morgan county since I first visited here in 1938. We haven't been afraid here in Morgan to make use of the research and programs offered us, and we have made them pay off. We are a progressive people and progressive county. Let's keep the programs that have helped us progress."

Mr. Shipley said the standard of living in Morgan is based on burley income. "If we throw the burley program wide open, bidders may get your crop this year at 15c a pound. Morgan growers got an average of 52c last year. You'd have to produce three times as much this year to get the same amount of money. Don't take a chance of letting a \$2½ million industry be destroyed," he cautioned.

County Agent Sinclair said if the program is not continued land values definitely will drop.

Paul Williams, vice-president of the Union, announced the National Farmers Union is the only nationwide farm organization that is now fighting for fixed price supports for agriculture products.

President Dorsey said that a representative from the national headquarters of the Union in Denver would be here to address a special meeting of the Morgan group May 9.
